THE ECUMENICAL THEOLOGICAL RESEARCH FRATERNITY IN ISRAEL QUARTERLY NEWSLETTER

Dear Friends,

We welcome you all to the new season! This new issue of the ETRFI Newsletter comes to you in a new format, in honour of the New Year! For all of our Jewish friends, a belated *Shana tova umetuka*. May this new year bring us all fresh discoveries from the wealth of knowledge available to us in the Scriptures.

This year we study the notion of "Time." Sacred

Time—as it has been determined by the Creator—and its significance in our expressions of faith. We pray for a sincere willingness to appreciate the Sanctity of Time—in each of our different traditions –both Christian & Jewish.

We hope that this year the ETRFI can continue to serve as a catalyst in bringing together east & west through the common quest for unity among Christians both in the Holy Land and beyond!

**“Let there be lights
in the expanse of
the heavens to
separate the day
from the night, and
let them be for
signs, and for
seasons.”**

or, “Light in a Time of Tyrants” appeared in the Hebrew *Haaretz* on December 14, 2001 and in the English edition on December 16. On June 25th this article by **Dr. David Hartman** was the topic of our theological discussion on Jewish-Christian relations in this well-attended Study Session. It was stressed that political considerations should not push aside the importance of looking at the Jewish reality within Christian theology. Copies of the article in both languages are available in our offices.

—Special Lecture Series

We opened the year on September 18-20 with a special series of three lectures entitled *Sukkot—HeChag* “The Feast”. **Br. Pierre Lenhardt** NDS of Ratisbonne and **Dr. Marc Bregman** of Hebrew Union College introduced a Christian audience to the four aspects of The Feast. First, the harvest, represented by the four species: lulav, myrtle, etrog and the willow branch showing the four kinds of mankind who are bound together to be one people. Second, the Feast of *Sukkot* living in huts, showing that ultimately there is no fixed home in this world but being with God. Third, the Feast of our joy, represented by dancing and singing expressing the presence of the Holy Spirit and the expectation of Messianic times. Fourth, the Feast of all Feasts, the ultimate culmination of God meeting his People Israel and bringing joy and peace to the whole world.

The last lecture by Br. Pierre, “Rivers of Living Water. The Feast of *Sukkot* in the Prophet Zechariah and in the New Testament” was sponsored by the **Friends of Tel Gamaliel** in memory of Fr. Isaac Jacob, OSB.

CHARITABLE SERVICES

Donations received for the community’s summer camp were much appreciated by the young ones! Pool days and barbecues in the hot summer months were a welcome diversion for the conscientious youngsters who have such a hard life all

The Ecumenical Theological Research Fraternity in Israel was founded in 1966 by a group of professors, theologians and lay people in Jerusalem. They shared the perspective that recent history demanded a fundamental consideration of Christian attitudes towards the Jewish faith and people, and that the State of Israel offered a unique setting for facing this task together.

Today, the ETRFI is the recognized roof-organization for Christians engaged in Christian-Jewish dialogue in Israel. It is also the ecumenical group containing the widest range of members from all the historic churches.
